

AMI/USA School Sponsorship Program

For AMI Teacher Trainees in the United States

This list is provided for the benefit of prospective AMI teacher trainees seeking sponsorship from an AMI school. Schools on this list have expressed an interest in sponsoring a candidate. Sponsorship guidelines vary by school, as indicated. Please review the offerings below, and contact the school(s) of interest for complete details.

Note the education levels listed do not indicate AMI recognition status. They are levels available for instruction or that the school is currently seeking to sponsor for.

*In the fall of 08 Bright Water Montessori will open a Charter School that will eventually serve grades kindergarten through sixth, however, we will start with kindergarten through third and add a grade each year. The Bright Water Charter is an urban-based Montessori program designed to inspire students to be passionate, life-long learners, respectful of the environment and all humanity and lead North Minneapolis students in closing the achievement gap. The families that we serve in our preschool and will serve in our charter school come from diverse backgrounds spanning extremely low and high incomes, a variety of family structures, as well as cultures.
